What Are Keva Planks? (click for video)

WHEN: Monday afternoons from 2:45 to 3:45 PM
April 16, 23, 30, May 7, 14, 21, June 4

WHERE: 1A - Mrs. Kern's classroom

WHAT: We play with keva planks!! Children who play with blocks tend to do better in mathematics and science. Physically handling the blocks builds a fundamental understanding of quantities, equality, geometry, etc. For some kids, hands-on kinesthetic learning is the only way. For all kids, it's the fun way.
Each week we have free play, a design challenge, and discussion.

WHO: Keva Club is open to all First and Second Grade students and will be taught by Mrs. Kern, first grade teacher. If you have any questions contact Mrs. Kern at skern@stpaddys.org.
