Hello St. Pat's!

Welcome back and Happy New Year! We hope that everyone enjoyed time with family and friends and really soaked up the spirit of the season. Before Christmas break ensued, we were treated to two incredible nights of the traditional Christmas program. All the kids sang beautifully. The young musicians who played instruments for both nights did an incredible job. They set a great example for all aspiring musicians and were inspiring. We always love seeing the 8th graders in the living nativity scene, the wise men, beautiful angels, little lambs, and hearing all our children sing. There is a special magic in the end, when the church, filled to capacity, all sing and clap together. Thank you to Mrs. Herriman and Mrs. Corona for another great program that we can mark in the books. On Wednesday, the last day of school before break, the whole school assembled in the courtyard and sang Christmas carols. This was the first time this has been done and we are sure it will not be the last. The last song, Feliz Navidad, was dedicated to the men working on the field in the cold gray weather.

We hope that everyone is ready to embrace and make 2017 great. We still have much to look forward to in 2017. The upcoming Grand Opening of our new school will be taking place at the end of this month. Right around the corner is the Father Daughter Dance, Mother Son Bowling, and the 25th Annual Golf Tournament. The St. Patrick Catholic School PTG Facebook page is always updated with fun pictures, videos, announcements, and reminders. Please like us on [Facebook](#)!

Be the Light!

MISSION STATEMENT

St. Patrick Catholic School fosters a community where students grow in faith and knowledge in order to bring Christ's light to the world.

OUR PHILOSOPHY

We, as educators, serve our community as a ministry of the Catholic Church.

We believe faith formation is essential in the development of a child.

We recognize and support parents in their role as primary educator of their child.

We believe every child can grow academically to meet the challenges of our changing world.

We guide students to be responsible citizens who serve others.
