Weekly Update

October 5, 2018

Bible Verse: (The disciples) were exceedingly astonished and said among themselves, "Then who can be saved?" Jesus looked at them and said, "for human beings it is **impossible**, but not for God. All things are **possible** for God." *Mark 10:26-27*

Let There Be Shade!!!

We are so happy to have our shade structure in place. We want to thank everyone who contributed financially to make it happen. We also would like to thank Ryan and Sarah Zajda for leading the effort and being so helpful behind the scenes. These great projects are only possible when our amazing community comes together to meet a common goal.

2018-2019 Student Council Members

Congratulations to the 7th & 8th graders, pictured above with Mr. Fontana, who will be serving on Student Council this year. Interested students submitted teacher recommendations and gave a speech to their peers. 7th grade students voted for 8th grade members and 8th grade students voted for 7th grade members. We look forward to the many activities they have planned and thank them for their leadership.
